Answers To Questions About Electronic Funds Transfer

What is electronic donation?

Electronic funds transfer is an automatic transfer program which allows you to make donations and/or purchase grocery cards without writing checks.

What is the advantage of electronic funds transfer?

It saves time. You also help the church stabilize its budget and save money.

How are my electronic funds transfer automatically deducted from my account?

Once you authorize the transfer, your specified contribution or grocery card purchase is electronically transferred directly from your checking, savings or credit card account to the church's account.

When will my donation be deducted from my account?

Vanco works back from your specified date(s) to make sure your deposit will be posted to St Luke's bank account on the date(s) you specify. They send the authorization to our bank at 3:00 PM Central Time on the 2nd business day (excluding weekends and holidays) before your specified dates.

Be aware that your deposit may be deducted from your account

a day or so before the date(s) you specify. Therefore, if your date(s) are sensitive to a particular date such as your payday you may want to select a date at least two to three days later than your controlling date. I.e., if your selected date falls on a Monday holiday, Vanco will release the request at 3:00 PM Central Time on the prior Thursday. It is possible the deduction will be made to your account on Friday even though it should be on Tuesday following the Monday holiday.

If I do not write checks, how do I balance my checkbook?

Since your electronic funds transfer is made at a pre-established time, you simply record it in your check register on the appropriate date.

Without a canceled check, how can I prove I made my donation?

Your bank or credit card statement gives you an itemized list of electronic transfers. It is your proof of donation. Also, St Luke's will provide you a giving statement at least annually.

Is electronic donation risky?

Electronic funds transfer is less risky than check using standard checks. It cannot be lost, stolen or destroyed.

What if I change bank or credit card accounts?

Notify the St Luke's Director of Finance and you will

be given a new authorization form to complete. (Allow 10 business days for change)

How much does electronic funds transfer cost?

For you nothing! For St Luke's the fee is very minimal.

What if I try the electronic funds transfer program and don't like it or need to change it for any reason?

You can cancel or change your authorization by notifying the St Luke's Director of Finance at any time..

How do I sign up for electronic fund transfer to make my contributions to St Luke's?

Complete and sign the reverse side of this authorization form and return it to the St Luke's Director of Finance or the church office along with a voided check or voided savings deposit slip.
