**GRACE COURAGE WONDER BEYOND**

The week before Easter is called Holy Week. On Thursday, we celebrate **Maundy Thursday**. It's the day Jesus shared a special supper with his disciples and gave them the commandment to **love one another as he had loved them**.

We remember that Jesus died on a cross on  
**Good Friday** and the world was sad.

**Easter Sunday** is a day of celebration. There's lots of fun with Easter baskets, eggs, flowers and chocolate bunnies. But what is Easter really about?

After Jesus died, he was buried in a tomb.  
Mary went to find him in the tomb but he wasn't there!  
She cried "Where is he? Where have they put him?"

Mary is so sad - her world was dark - but she is about to discover that **Jesus will light the way.**

Jesus is resurrected and lives!  
Light has come to the darkness.

We are the light. We have God's light within us.

Easter is about **LIGHT!**

The resurrection is our reminder that God is asking us to continue what Jesus started so long ago.

**His light warmed people's hearts.**

His light lit a path that led people back to God.

Easter asks each of us to shine our light into the world  
as Jesus did two thousand years ago.

**Can you see the light of God within you?  
Will you let it come from you?**

  
**Happy Easter!**
